F (ankle)	11-12	11-12	11-12	11-12	11-12	11-12	11-12

Warnings:

- Do not use if any defects are noticed (e.g. seam defects, faulty zip)
- Select the correct garment size
- Dressing correctly with a closed zip protected by the flap
- If necessary use additional devices with same characteristics (such as gloves, breathing apparatus, boots etc.) in order to provide for full body protection,
- Heat stress and discomfort can be reduced or eliminated by using appropriate undergarments or suitable ventilation equipment;
- Coveralls are for single use only and must be disposed after any job;
- If any breaking, punctures etc. occur, leave the working area and change to a new coverall before re-entering the work area.

Compliance:

In case of airborne solid particulates risk it is advisable to tape the zipper and have protective gloves, taped at the extremity of the sleeves together with tape at the extremity of the legs, also ensuring that the sleeve covers the glove opening.
Storage and disposal: Garments can be stored in the original packaging in a dry place away from heat sources. Garments can be disposed of without harm to the environment. Restrictions to disposal result only from contamination during use. In this case dispose in compliance with applicable laws and regulations.

Maintenance:

This product is marked with BSI's Benchmark Product Certification Mark. This indicates that the conformity of our product is based upon technical documentation and an annual review of our manufacturing and quality control process to monitor our ability to consistently produce products in compliance with EN ISO 13688. Client BMP No 655143".
